Privileged Critters is pleased to accept the Humane Society of Polk County Vouchers for spays/neuters. Please read the following information and pre-surgical instructions:

- 1) Remove all food and water at or before midnight the night before surgery.
- 2) If you wish to update vaccines when in for surgery, there is a \$12 charge for each vaccine. A yearly heartworm test with surgery is \$20. You may purchase one flea and/or heartworm product for half price.
- 3) Your pet will be ready to go home by 4:40pm unless you received a call from us. You may call at 1:30pm to see if your pet can go home early. If you cannot make it to drop off between 8:30-9:00am, you may drop off the night before surgery for one free night boarding. Be advised that no one is at the clinic at night, but your pet will be held in a very safe, stainless steel cage.
- 4) Dogs over 26# will be charged additional fees (\$25 per 25#)
- 5) An IV Catheter is required for the safety of your pet (\$15). You may opt to have your pet receive fluids during surgery for an additional \$15. If your pet has an emergency or is in distress during surgery, fluids WILL be administered for an additional \$15 charge per liter (one liter minimum charge).
- 6) If your pet is over 6 years old, minimal pre-surgical bloodwork is required (\$60). If your pet is under 6 years old, bloodwork is highly suggested for the safety of your pet, but this service is optional.
- 7) Take home pain medication is required for the post-operative comfort of your pet. (\$10-\$20)
- 8) If your pet is pregnant or "in heat", there will be additional charges. For cats, the charge is \$25. For dogs, the charge depends upon the size of the pet and ranges from \$40 to \$75.
- 9) If your pet comes into heat after you make an appointment or you need to re-schedule, please call to cancel at least 48 hours in advance to avoid the additional fees. You will be given a confirmation code by the receptionist for your cancellation.

A pre-surgical exam is included in your procedure at no additional charge and this exam is good for a year to purchase flea medications. During surgery, an injection for pain and an injectable antibiotic is also included.

We have a friendly, economical, clinic with an awesome Veterinarian (Dr. Rachel Bouton, DVM). Please visit us on our Facebook Page or on our website (www.privilegedcritters.com) for monthly specials. If you have any questions before or after surgery, please contact us immediately.

- I have read and understand that there may be additional charges that may apply as stated above.
